Applicants hereby assert small entity status under 37 C.F.R. 1.27 in that each has not assigned, granted, conveyed, or licensed, and is under no obligation under contract or law to assign, grant, convey, or license, any rights in the invention to any person, concern or organization which would not qualify for small entity status, and therefore are eligible for reduced patent fees.

Accordingly, Applicants hereby claim small entity status for the above-identified patent.
